The PTA is supported by Helen Lewis, Year 3 teacher.

The PTA is for everyone at the school. We are very happy for new faces to come to meetings, so please do come along if you can.

If you want to chat but can't make the meetings and can't find us at school, either drop us an email or leave a note in the PTA in-tray in the parents' room at school and we'll get back to you as soon as possible.

There is also a noticeboard in the parents' room where we will put the meeting minutes and other notices.
