

Dear Parent,

Next term your child will be taking part in rugby. In the interest of their safety it is mandatory that a mouthguard is worn to participate.

We work with OPRO, who are the largest manufacturers of Custom-Fit mouthguards in the world. OPRO have launched their revolutionary Instant Custom-Fit mouthguard which is a dentist-level mouthguard that can be fitted at home.

Benefits of the Instant Custom-Fit mouthguard:

- OPRO's revolutionary fitting mechanism allows the pupil to take an instant dentist impression of their teeth whilst moulding their Custom-Fit mouthguard
- You can choose between three protection levels and add anti-microbial protection to the mouthguard
- Made in OPRO's manufacturing facility in Hertfordshire, the Instant Custom-Fit offers the highest level of protection as worn by professionals
- Prices start from just £29.99, plus you will receive 10% off if you use the following code **StEdwardsPrep10**
- No waiting for your mouthguard! The Instant Custom-Fit can be manufactured in as little as 2 days. Once fitted at home it's ready to use
- You will receive a complimentary Self-Fit mouthguard to practise the fitting process with and this can be used as a spare mouthguard for the season.
