

St Edward's Prep Holiday Club will run each weekday between 8.30am and 5pm. Children should bring a water bottle, coat, their lunch and a snack (please note we are a nut-free school). Comfortable casual clothes are recommended.

Bookings must be made using the online booking form and will be added to the next termly invoice for children who attend St Edward's Prep School & Nursery. Parents of children that do not attend St Edward's Prep will be charged when completing their booking, via our secure online booking system. Bookings must be completed before the closing date.

We may have ad-hoc spaces available for children who already attend St Edward's Prep (unfortunately we cannot provide ad-hoc bookings for external children), and ask that you please email [holiday-club@stedwardsprep.com](mailto:holiday-club@stedwardsprep.com) and wait for confirmation that there is a place for your child before you bring them in. Early booking is strongly advised.

If you wish to cancel your Holiday Club booking, please be aware that no refunds are available, nor are we able to swap booked sessions for another date.
